Sanitary Bins - Our Hands-Free Disinfected Sanitact Bins, provide the best way to care for ladies hygiene and to prevent frequent drainage and sewage lines blockages due to disposal of sanitary pads in the toilet bowls by staff or customers.

Airfreshners - Our high quality and elegant airfreshner dispensers with variety of fragrances automatically delivers small burst of fragrances at fixed intervals of time to ensure fresh smelling environment 24 hours through 30 days per refill, be it in your living room, office, customer's reception area or washroom.

Soap/ Sanitizer Dispensers - Our Auto and Manual Dispensers with luxurious soaps and sanitizers, promoting maximum hygiene and leaving hands clean. Incorporated into this range is our professional anti-bacterial soap, designed to significantly reduce the amount of harmful bacteria on surfaces.

Baby Changers - Installing a Babyminder® changing station provides parents with a safe, convenient and hygienic baby changing facility in away from home locations and is now considered to be of equal importance as the provision of other essential facilities.

Tissue Dispensers - Our range of tissue dispensers to complement any washrooms. The product range include Centre Feed Tissue Dispensers, Centre Pull Tissue Paper Dispensers and Folded Paper Towel Dispensers. We also supply Tissue Rolls Holders which hold 2 - 5 rolls.

Hand Driers - The Blast ultra-quick hand dryer simultaneously blows water off hands and evaporates residual moisture, drying hands completely in approximately 10 seconds. Using 1/6th of the energy used by conventional hand dryers, Blast is extremely environmentally friendly. It costs up to 95% less than paper towels to operate,.

Toilet Seat Sanitizers - Seat surfaces can harbour vast numbers of harmful bacteria. Easy to use Toilet Seat Sanitizer provides the individual with the opportunity to clean and sanitize surfaces such as toilet seats effectively before use. The sanitizing chemical is ultra-quick drying and effective against all harmful bacteria (99.9% kill)
